Hi Gaurav Munjewar
Congratulations! You are selected as an Online TA at Coding Ninjas.

Please find below the details of your roles and responsibilities:

Job Responsibilities:

1. Doubt Resolution of students
 1. You need to be online for at least 2 hours daily (6 days a week and 1 week off) and take the students' doubts.
 2. We will provide you with a dedicated slot of 2 hours in which you have to be online and help the students.
 3. You can take doubts anytime in a day but taking doubts in your slot is mandatory.
2. Projects Evaluation (if any).

Duration of TAship:

1. Around 4 months

Stipend:

1. You will get the stipend after the end of the TAship.
2. Your stipend is based on your overall performance which mainly includes:
 1. Number of Doubts Resolved
 2. Average TA Rating
 3. Number of Projects Evaluated (if any)
3. The stipend amount generally varies between 0-30k for the complete duration of the TAship.

Other Benefits:

1. You will get access to the course. Please revise all the topics thoroughly.
2. Slot Reschedules and Leaves
3. Post your TAship, you will get an Internship Certificate from Coding Ninjas.
